Join Team Children’s Aid Today
and Support the Success of New York City’s Children!

In 2016, Children’s Aid began an exciting new tradition by partnering with the TCS New York City Marathon to further support the health and wellness of New Yorkers. Team Children’s Aid, a charity partner of the Marathon, is a group of philanthropic runners who collectively commit to raising funds to benefit Children’s Aid’s mission: to help children living in poverty across New York City to succeed and thrive. Since its founding, the team has raised more than $220,000.

Now in our fifth year, Children’s Aid is pleased to return as a charity partner for the 2020 TCS New York City Marathon on Sunday, November 1st. Each year, we welcome individuals and corporate teams to join us, and regardless of how a bib is secured, either through us as a charity partner, the drawing, the 9+1, or 9+$1K Program, every dollar raised makes a difference!
